12 600 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

Old sautoir necklace formed by openwork polylobed motifs separated from each other by alternating oval rings and clasps. This antique long gold necklace features a spring ring.

Period: 20th century

Main material: yellow gold, 750 thousandths, 18 carats, eagle's head hallmark.

Proportions: Length: approximately 150 cm, width of the motifs: approximately 8.3 mm, width of the chain: approximately 4.4 mm, thickness: approximately 1.5 mm.

Net weight: about 80g.

Authentic old jewel - French work from the beginning of the 20th century.

Our opinion: Very rare of this length and of this quality, this antique gold long necklace is 1m50,

it comes to us from the Art Nouveau period with its organic lines and its very particular style.

The story of this jewel: This sublime old gold necklace has been kept in the same family since the beginning of the 20th century. From generation to generation, the descendants refused to cut it to make several old necklaces, which is often the case unfortunately for this kind of jewelry. It therefore comes to us in its original length and in exceptional condition.
