Description

Superb Guillotine secretary from the Louis XVI period, in flamed mahogany decorated with brass rods. The upper part opens with two glass doors, one with mercury, the other has been replaced. In the center, a drawer which makes the width of the piece of furniture, the flap retained by two small chains, which open presents a desk with 2 rows of 3 drawers, and niches. the lower parts also open with two doors. The piece of furniture rests on 4 toupie feet. This piece of furniture is very clean and functional, traces of old restorations, 1 lock present but to be reattached to the center drawer, all the locks are cloverleaf, I have the key!
