Description

Diamond garter ring composed of 5 falling brilliant cut diamonds and punctuated by 8 other small diamonds. In profile, the basket is perforated with arabesques. Main material: white gold, 750 thousandths, 18 carats, eagle's head hallmark. Total diamond weight: approximately 1.26 carats. Proportions: Height: approximately 6.5 mm, width: approximately 21.5 mm, thickness: approximately 4.5 mm, width of the ring at the base: approximately 2 mm. Net weight: about 4.1g. Ring in the spirit of 19th century garter rings. Our opinion: The brilliance of the diamonds and the refined work of the setting make it an engagement ring of choice. Sizing possible, contact us.
