## Description

Pair of terracotta and bronze bust sculptures representing a young couple from the late 19th century. Interesting pair, gilt bronze base, made in a style combining Napoleon III classicism and the premises of art nouveau. Note the quality of realization of the model with the presence of leaves and flowers in the hair evoking allegories of nature. Rare on the market, this beautiful pair will give a decorative and collection character to a beautiful interior. Possibility of sending in France and all over the world.
