### Description

Very pretty Art Nouveau stained glass window made with glasses of different textures and various colors and assembled with lead. A magnificent vegetal decoration very popular at that time, pigmented with pretty colored cabochons. This stained glass window is integrated into a painted wooden frame. Very good condition, only a crack in a glass of the perimeter, it does not present any risk for the stability of the stained glass window. This stained glass window is a real plant painting, it creates a soft atmosphere that changes according to the light and brings a rich personality to an apartment.
