Bruges 8000

There is much more than meets the eye to this Dutch painting from the second half of the 17th century. This apparently innocent representation of a man holding a hen actually stood for a lustful man, a "hennentaster" in Dutch. Its composition goes back to a painting by Hendrick Bloemaert, which was engraved by his half-brother Cornelis

II. Both date from circa 1625/1630.

All my paintings stand fully documented on my website :
