Description

Vienna bronze: "Cats at the easel", natural enameled bronze 8 X 5 X 5 cm. No apparent signature, very slight deformation of the feet of the easel. While playing, these rascally cats punctured their master's painting placed on the easel! Part of a collection that I will be selling these days. Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
