Antique Napoleon III French Chest Of Drawers

3 500 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Rosewood

Description

Chest of drawers with two and a half drawers with veneered structure in exotic woods and inlaid with precious wood essences surmounted by a coeval marble top.

The front is punctuated by two large drawers and a smaller one, arranged on three rails, both graphically underlined by two thread turns.

A beautiful internally inlaid reserve frames the two large drawers with a beautiful medallion in the center depicting an architecture in perspective surrounded by two gallant scenes with ladies.

The band under the top is enriched by a dense inlay with a motif of racemes and flowers.
