Large Long Necklace Of Antique Mediterranean Coral And Assorted Amethyst Beads

1 000 EUR

Period : 20th century

Condition : Parfait état

Material : Coral

Length : 160 cm

Description

This long necklace measures 160 cm and fastens with a large 18K yellow gold spring ring, allowing it to be easily wrapped around the neck multiple times. It consists of: 180 antique Mediterranean coral beads (5-5.5 mm diameter); 25 faceted amethyst beads (14 mm diameter); 6 round amethyst beads (10 mm diameter); 35 faceted amethyst beads (6 mm diameter); and 12 carved light amethyst hearts.
