Description

Very interesting movement for this pretty little mirror, called "face à main" in French. The beveled mirror, oval in shape, pretty wooden frame carved with scrolls of leaves and flowers. Wooden back, screwed.

Good general condition, a small party has been glued and another that does not necessarily require it.

European working, probably French, dating from the very end of the 19th century, Circa 1890, beginning of the Art Nouveau period.
