Description
-------------

Very beautiful painting with superb light representing the collection of seaweed on an edge of the sea coast, probably Brittany. Remarkable pictorial technique! With a very nice final result. Signature to decipher! Oil on canvas in very good original condition! Very beautiful scene with a lot of details mastered by the artist. Format of 68x53 cm with frame and 55x38 cm without. Visually very decorative and of high quality! Do not miss !
