

## Antique Golden Color Mirror

630 EUR

Period : 19th century

Condition : Bon état

Material : Stucco

Length : 90

Height : 160

### Description

We were seduced by this magnificent antique mirror in a classic style, with a large and beautiful pediment, which comes from Rouen, in the north of France. The frame of this mirror is crafted from wood, with stucco moldings adding a touch of elegance. Its golden color gives it a glamorous and sophisticated look. This decorative treasure has been carefully cleaned in our workshop, which gives it an authentic charm. Despite some very light pitting, we restored this mirror with great care, taking care to protect it and restore it to its former glory. With imposing dimensions of L90cm x H160cm x D5cm, this old mirror will attract all eyes and bring brightness and enlargement to your room. Don't miss this opportunity to own an exceptional antique mirror. Transform your home into a real oasis of style
