Description

Old desk from the 60s found in Reims Let yourself be seduced by this magnificent old desk from the 60s, discovered during a hunt in Reims. With its retro design and vintage charm, it will bring a touch of elegance to your workspace. This desk features 4 spacious drawers, perfect for storing office supplies and keeping your workspace organized. In addition, it is equipped with a very practical retractable shelf, ideal for placing your laptop or your documents during work. Before putting it on sale, we took care to carry out a major cleaning of the office. We also decided to varnish the top to restore it to its former glory. Thus, you can enjoy a smooth and shiny surface, conducive to creativity and productivity. This office is a true testimony to the era of the 1960s in France. Made of quality wood,

it displays a natural color that highlights its texture and authentic character. The wood details add a touch of rustic charm, while the vintage style lends a unique retro vibe to your workspace. The desk is perfectly functional, with its 4 drawers that open and close smoothly, providing generous storage space for all your documents and accessories. The pull-out shelf is a real highlight, allowing you to maximize your workspace when you need it. Although we have carried out a complete restoration of this desk, it should be noted that it has some defects on the wood, witnesses of its experience and its history. These minor imperfections add to its unique character and make it an authentic and charming piece. The dimensions of this desk are as follows: L100cm x D60cm x H74.5cm.
