Description

Discover our vintage coffee table dating from the 60s, a unique piece with timeless charm. Made of high quality teak, this table was found in Denmark, in the charming town of Struer, which adds a dimension of authenticity to its history. The vintage coffee table stands out for its functionality thanks to its 2 spacious tops. These trays provide ample space to display your magazines, remotes, books, or anything else you want to keep close at hand. You will be able to take advantage of a practical storage surface, while maintaining a pleasant and organized relaxation area. Step back in time to the 60s with this vintage coffee table. Its Scandinavian design evokes the clean and functional aesthetic characteristic of this era. Teak, the material of choice used in its manufacture, gives this piece a
