Description

This vintage secretary from the 1950s is a real treasure to discover. With its unique features and retro charm, it is sure to add a touch of elegance to your home. Featuring iconic compass legs, beautifully crafted brass and black handles, and a beautiful oak color, this secretary is both functional and aesthetically pleasing. When you need to get to work, just open the top to access a spacious work area. Below you'll find two hinged doors that open to reveal a handy shelf, ideal for storing your files, books and other office supplies. This makes it easy to organize your workspace and keep all your stuff close at hand. This vintage secretaire dates from the 1950s and is of French origin, which gives it additional history and authenticity. Made of high quality wood, it is both strong and durable, ensuring its longevity.
