Height : 55 cm

Description

Institut Pasteur microscope-lamp (height: 33 cm). The optical assembly comes with numerous accessories, including eyepieces, a lens magnifier, and a magnifying glass. It also offers a wide range of adjustments, such as height and stage clips. Materials include bronze, brass, cast iron, and lacquered metal. The custom-made lamp, crafted from iron and sheet metal, features 1950s-style opaline glass. It uses a standard screw-base bulb and has been fully rewiring; the entire piece has been cleaned and re-varnished, requiring no further maintenance. Delivery is available (not included in the price). I welcome your offers! A new adventure is on the horizon.
