Description

Very beautiful and rare large blue overlay crystal bottle. The frame and the cap are in gilded solid silver.

The lid is decorated with a blue enameled interlaced pattern.

It is very probably a work of the Baccarat house from the beginning of the 20th century, as evidenced by the star cut under the bottle, to be compared to the diamond and gemstone models.

The body of the bottle is conical in shape extending into a long narrow neck.

The entire body of the bottle is cut to form pretty geometric decorations.

The frame is not hallmarked but has been tested
