Description

This vintage sideboard from the 60s that we present to you is a piece of furniture with a unique charm, sourced in England. Made of teak, this piece is distinguished by its tapered legs, characteristic of the Scandinavian style which was very popular at the time. This storage cabinet offers a practical solution for organizing your living space. It is equipped with 3 drawers and 2 hinged doors which open onto a shelf each. Additionally, a low hinged door also features a shelf, providing ample storage capacity for your valuables or daily items. In our workshop, we have completely oiled this sideboard, giving it a neat finish and highlighting the natural beauty of teak. The top has been sanded and varnished, adding a touch of shine that enhances its vintage look. We have also taken care to change the
