Description

Discover the vintage teak chairs by designer Leslie Dandy in the 60s and imported straight from England. These retro chairs are a real homage to Scandinavian style with their iconic spindle legs, which give them an irresistible allure. With their comfortable seat covered in a resistant fabric, these chairs combine retro charm and practicality. Their timeless design and vintage aesthetic make them unique pieces that will add a touch of elegance to any interior. These mid-century teak chairs by Leslie Dandy were created by designer Leslie Dandy and produced by G-Plan, a reference in the field of furniture. Their origin from England adds a touch of authenticity to these collector's items. Crafted from high quality teak and upholstered in durable fabric, these chairs are both strong and

aesthetically pleasing. The natural wood color of the teak adds a natural warmth to the space, while the Scandinavian style gives a retro and elegant atmosphere. The dimensions of these chairs are: H91cm x W48.5cm x D48cm, offering the perfect balance between comfort and compactness.

Please note that there is a small stain on the back of one of the chairs as shown in the photo. In short, these teak chairs are exceptional pieces of furniture. Their Scandinavian style, their origin from England and their attention to detail make them unique pieces that will add character and charm to your interior.
