Description

Here is a modern composition made in the 60s and 70s. The work is signed, but the signature is difficult to identify. It represents a woman who wears a veil, revealing her face. It is a rather particular composition, probably gouache on paper, the entourage is in plexiglass. She is well made. The work is in good condition. We report, for the most picky, dirt between the two plexiglass, scratches in various places on the frame. For the state thank you for detailing the photos. Feel free to zoom. The photos are an integral part of the description. Dimensions: - Frame Height: 87.3 cm Width: 72.2 cm Thickness: 5 cm - Gouache Height: 63.5 cm Width: 48.5 cm E: A4821
