Description

Console in gilded and lacquered wood richly carved.

Top with a wavy line in lacquered wood painted in imitation marble, centred, in the lower band, by a coat of arms surmounted by a five-point crown, a decorative element then taken up again in the center of the cross joining the support legs.

Legs embellished, in the upper part, with a grotesque mask; goat-hoofed feet.

Northern Italy
18th century,
cm. 88x133x67
