Description

Set of 6 crystal white wine glasses.

French work from the famous Saint-Louis house - Gavarni model.

The Gavarni model is a luxury model in very richly cut crystal, dating from the first half of the last century.

The feet and bases are star-shaped, which at Saint Louis as at Baccarat was often reserved for high-end models.

The depth of cut gives the service a magnificent shine.

All glasses are stamped and in very good condition.

We note that some glasses have a slightly larger foot.
