1960s Compass Feet Chest Of Drawers

Description

Discover our superb chest of drawers with compass feet from the 60s, carefully sourced in the charming city of Rouen. This unique vintage piece features three functional drawers, one of which is split, providing convenient and organized storage. The beautiful compass feet add a retro and elegant touch to this piece of furniture. In our workshop, we took great care to re-veneer and varnish the top of this chest of drawers, thus restoring it to all its original splendour. The high-quality natural wood is highlighted with its timeless wood color, blending in perfectly with various decorating styles. This dresser perfectly embodies the aesthetic of the 60s, with its clean lines and vintage style. Made of wood, it reflects its time and its French provenance, adding a touch of authenticity to your interior. Please note
