Description

Discover these two blue bistro chairs from the 60s, full of charm and history. Originally from Ile de France, they have been carefully sourced to offer you a unique retro-style piece. The seats of these chairs have been completely redone in our workshop, thus guaranteeing optimal comfort. They nevertheless retain their period authenticity, dating from the 1960s, and have been meticulously restored to preserve their character of yesteryear. Crafted from quality wood, these chairs exude timeless elegance with their combination of woody hues and vintage blue. Their classic design is enhanced by straight legs, adding a note of originality to the whole. The generous dimensions of these chairs (H91cm x W40cm x D48cm) offer excellent back support, ideal for meals or moments of relaxation. The

seat height of 49cm makes them perfect for use around a standard dining table. Treat yourself to a piece of history with these vintage bistro chairs, which will bring a retro and elegant touch to your interior. The marriage of wood and blue creates a warm and welcoming atmosphere, conducive to conviviality and shared moments.
