### Description

Discover our magnificent Danish chest of drawers from the 60s in teak, a real gem unearthed in Denmark in Aarhus. This chest of drawers offers timeless charm with its elegant lines and Scandinavian design. Featuring four practical drawers, one of which can be closed with a key, this dresser offers spacious storage space for your clothes, accessories or precious objects. Each drawer slides easily and allows you to organize your belongings with ease. In our workshop, the top has been carefully replaced, sanded, stained and varnished to restore it to its former glory. This gives it a smooth, hard-wearing finish, while preserving the natural look of the wood. The 60s era and Danish provenance from Aarhus add historical value to this chest of drawers, while the high quality teak
