Description

Discover these three nesting tables with an exceptional design, designed by Victor Bramwell Wilkins and edited by G-Plan. Made in England in 1967, these tables are a testament to the elegance and craftsmanship of the era. Made of high quality teak, these tables have been carefully sanded and varnished in our workshop, restoring their original shine. The warm and natural wood brings a Scandinavian touch to your interior, harmonizing perfectly with different styles of decoration. Each table can be used individually or be assembled to form a practical and aesthetic whole. They offer versatility of use and easily adapt to your needs. Their pull-out design allows you to store them easily when you need more space. The dimensions of the tables are as follows: The first table measures H52cm x
