Description

Discover this superb industrial counter furniture found in Normandy. Its sturdy look and industrial style make it an ideal choice to bring a touch of originality to your space. This piece of furniture is made up of 6 storage niches, providing ample space to organize and display your favorite items. Its functional design combines aesthetics and practicality. We have carried out a full cleaning at St Marc, taking care to preserve its unique character. Additionally, the veneer on the top has been removed, then carefully sanded and varnished, resulting in a smooth, shiny surface. Of French origin, this piece of furniture is made of quality wood, which guarantees its durability. Its industrial style gives it a raw and modern aesthetic, in perfect harmony with contemporary interiors. The dimensions of this counter unit are
