Description

The vintage trolley from the 70s is a unique piece that combines retro charm and functionality. Unearthed in the North of France, near Lille, this sideboard will bring a touch of authenticity to your interior. Its beautifully crafted golden metal structure gives it an elegant and sophisticated appearance. The two glass trays add a note of transparency and lightness to the whole, highlighting your decorative objects or your favorite drinks. Equipped with four wheels, this trolley moves easily from one room to another, giving you great flexibility in its use. You can thus use it as a side table in your living room, as a support for your plants in your veranda or even as a mini-bar during your receptions. The vintage trolley on wheels is in good condition, having been carefully cleaned. However, please note that
