### Description

Discover this industrial piece of furniture with drawers steeped in history, which was used in a pipe manufacturing factory in Burgundy. With its 8 large spacious drawers, this piece of furniture offers a practical and functional storage solution. This versatile factory piece of furniture can be repurposed in multiple ways to suit your interior. Whether as a central island in a kitchen or as a centerpiece in a living room, it will bring an industrial and authentic touch to your space. The piece of furniture has been carefully treated to restore it to its former glory. The top has been sanded, a plinth has been re-glued, and the handles have been cleaned and treated to restore their original shine. The result is a piece of furniture full of charm, both robust and aesthetic. From France, this industrial piece of furniture is
