Description

Discover our superb 60s Scandinavian sideboard from Denmark. This vintage piece perfectly embodies the timeless Scandinavian style and will add a retro-chic touch to your interior. Made of high quality teak, this sideboard gives off a natural warmth thanks to its wood color. The materials used testify to its authenticity and durability. Practical and functional, this sideboard offers generous storage space. It is equipped with 4 spacious drawers and 3 hinged doors that open to 3 shelves, allowing you to easily store and organize your belongings. The tapered legs add a subtle elegance to this piece, giving it an airy and light look. This row has been carefully restored, sanded and its top has been veneered and varnished, giving it a new lease of life while preserving its original character. Please note that
