### Description

Discover our superb vintage Mc Intosh sideboard from the 60s, sourced in England. This teak piece of furniture embodies the elegance of the Scandinavian vintage style and will add a retro touch to your interior. The sideboard is distinguished by its tapered legs which bring a touch of sophistication. Its quality design features 3 spacious drawers, 2 hinged doors that open to a handy shelf, and a low hinged door that features a small tray, providing multiple storage options. Manufactured by Mc Intosh, this renowned publisher, the sideboard demonstrates fine workmanship and attention to detail. The teak used ensures its durability and resistance, while its natural wood color brings warmth and charm to your space. With dimensions of H75.5cm x W213.5cm x D45cm, this sideboard adapts
