Description

Discover our magnificent chic country wooden bench, which has been carefully restored and treated to give it a second life. This bench was found in the center of France, more precisely in Orléans. With its natural wood colour, this bench will bring a warm and authentic atmosphere to your interior. Its rustic charm fits perfectly into a chic farmhouse style, adding a touch of character to your space. This bench is made of quality wood, testifying to its French origin. The Orleans provenance adds historical value and connection to the region. We have taken care to restore this bench by cleaning and treating it, in order to preserve its beauty and its durability. So you can enjoy its functionality and aesthetics without worry. With dimensions of W200cm x D20.5cm x H44.5cm, this bench offers enough space to
