Description

Discover our industrial-style solid wood locker cabinet, made up of 20 lockers, for functional and aesthetic storage. This unique piece of furniture was found in France, in the Oise department. Made of quality solid wood, this piece offers remarkable strength and durability. Its natural wood color brings a warm and authentic touch to your space, while integrating harmoniously into an industrial style. We took care to restore this piece of furniture in our workshop. The top has been treated, sanded and varnished, giving it a smooth and elegant finish. So you can enjoy its beauty without worry. With dimensions of W173cm x D44cm x H90cm, this locker cabinet offers ample storage space. Each locker measures W40.5cm x H12cm x D41cm, providing plenty of room to organize your things as needed.
