Description
-------------

Pie server model Boréal, in silver metal for the part to be served.

20th century French work from the famous Christofle house.

All our parts are restored by our workshop to be as close as possible to new condition.

We note on the part to be used some very scratches of use.

This does not at all affect the service, nor the beauty of the object.

Specializing in silverware from Christofle, we also sell many pieces of cutlery depending on our stock.

Do not hesitate to contact us, to share your research with us.
