5 500 EUR

Period : 19th century

Condition : Bon état

Material : Oak

Width : 65,5 cm

Height : 1m92

Depth : 40

Description

Surprising and rare carved oak furniture that can be a small wardrobe, a semainier, a chest of drawers. Etc... French work around 1850. Behind the small doors opens a series of storage units with a drawer above and then a whole series of storage units in small open drawers. The sides of the cabinet are fascinating with their carving work. Furniture in good condition and original. On the doors is an old tapestry.
