Description

Quick description

Rare and old tombstone in sandstone, around 1880.

From Alsace in France, carved with a face (of a child?) eyes closed, deliciously naive workmanship.

Presented on a patinated solid wood base, made to measure in our workshops.

Touching piece, very singular folk art.

Dimensions

50cm high, the base is 27cm wide and 17cm deep for a total weight of 10kg.

Price

900EUR
