Description

Important vase from the 1960s-1970s in enamelled ceramic with floral decoration in relief on the body in shades of tangy green and ultramarine blue on a turquoise blue background. The collar is decorated with vertical friezes composed of green and blue petals, contrasting in the most beautiful way with the dark brown interior. This ceramic with its shiny and colorful enamel attracts attention at first glance, and its large size gives it a real decorative presence. Signed under the base West Germany - Bay, model n°87-50. Very good condition except for a very slight crack at the collar almost imperceptible to the eye (see last close-up photo).
