deffoux 1876 Navaja Valero Jun Zaragoza Folding Knife Dagger

580 EUR

Period : 19th century

Condition : Très bon état

Material : Other

Description

Interesting antique Navaja de Zaragoza dated 1876
The blade of this knife was made from an old file of which the pattern is still clearly visible
It bears the stamp *Valero Jun Zaragoza* across it and the butt cup is marked *Deffoux 1876*
Handlles are made of tinted horn slabs alternating with brass overlays over steel liners. Horn scales embellished with decorative brass pins
The knife remains in good to very good overall conditions, blade is full in shape and locks up firmly and tightly with no loosness. Handles with some wear commesurate with age and type
It measures 24 cm when folded and 46,5 cm in fully extended position.
