### Description

French Empire Cylinder bedside table in mahogany feather with black Belgian marble top.

The marble top rests on a cylindrical shaft with a door in the center that opens via a wooden knob.

Internally there are two shelves, one of which is in wood and the other in marble which divides the space into three parts.

This type of object is often used as a bottle cabinet.

Condition: Restored by our master craftsmen with traditional method shellac and handmade alcohol.

Provenance: France 19th century.
