Description

Ostrich egg model lamp from the 1960s in light beige travertine marble and black marble encircled with gilded brass. Very beautiful decorative effect for this large lamp, height under lampshade 39 cm which gives by its contrasts and the quality of its materials an impression of luxury and remarkable luminosity. Note the excellent original condition for this lamp as a whole as for its elements in high quality materials, marbles and metals. Possibility of sending in France and all over the world.
