Description

Discover our collection of 7 industrial raw wood stools, available individually. Each stool has been carefully sanded and fully treated, ready to find its place in your interior. This set of stools stands out for its artisanal nature, which makes them unique pieces with different details for each one. Each stool has been crafted with love and attention to detail, adding a touch of authenticity to your space. These stools fit perfectly in a dining room with a solid wood table, creating a rustic and friendly atmosphere. In addition, they are versatile and can be used as a modular coffee table, side table or bedside table, offering flexibility in their use. Their raw and industrial look brings an authentic look to your interior, while remaining very practical. They are perfect for those who appreciate brutalist and country
