Description

Discover our old solid wood workbench, a real gem with an industrial and chic country style, which will add authenticity and character to your interior. Featuring clean lines, this piece of furniture is the ideal solution for creating a warm and functional atmosphere in your home. Imagine it in your living room, where it can serve as a TV cabinet, elegantly accommodating your screen and your audiovisual equipment. You can also think of it as a piece of craft furniture, organizing your tools, materials and accessories in a brilliant way. Its sturdiness and raw look make it an ally of choice for furnishing your living space. But that's not all ! This versatile piece of furniture can also be transformed into a vanity unit for your bathroom, thus bringing its unique charm to this room dedicated to well-being. With its straight
