Description

Discover these 4 vintage Cesca B32 chairs, created by the famous Hungarian designer Marcel Breuer. These iconic chairs are a true symbol of 70s design and will bring a retro and stylish touch to your interior. The Cesca B32 chairs have a tubular structure in chromed metal, offering exceptional solidity and durability. The seats and backs are made of beech wood, combined with delicate caning, adding a natural and artisanal dimension to their aesthetics. Marcel Breuer, renowned designer, has created a perfect balance between functionality and design. These chairs are the result of his avant-garde vision, combining quality materials with a timeless style. The light wood color of these chairs blends easily with any type of interior decoration, bringing a warm and natural touch to your space. The
