Description

Vintage lamp from the 40s and 50s representing a trained whale or sperm whale holding a sphere. Very beautiful decorative effect for this extremely rare lamp in solid gilt bronze and straw marquetry for the skin of the cetacean Note the expressive character of the animal's head and the magnificent rendering created by the alliance of metal and plant, all in excellent original state. Nice size of the sculpture, 32 cm under the lampshade. Luxurious and original effect are there to give an amazing, rare and decorative character. Possibility of sending in France and all over the world.
