

Two Body Buffet

4 800 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Width : 2.27 m

Height : 2.45 m

Depth : 0.69 m

Description

Very large two-piece buffet from the 19th century. This sideboard is made of pine which gives it a beautiful light color. The upper part has three large storage spaces. The lower part has three drawers and three storage units that open with doors (all openings have their keys). This piece of furniture is rare by these dimensions and is in a good state of conservation.

DIMENSIONS: 2.27 MX 0.69 M AND 2.45 M IN HEIGHT (1.45 M FOR THE UPPER PART AND 1.00 M FOR THE LOWER PART)
DELIVERY ON ESTIMATE.
