Description

Art deco sculpture from the 1930s representing a young man stringing his bow by Georges Gori. Magnificent sculpture having retained its original patina made by this great artist, XIX XX century, born in France of Italian origin. Note the impression of strength and power released by the whole of the work created by the quality of rendering of the musculature and the balance of the whole. Note the excellent state of conservation and the presence of the signature on the base of the terrace. A very rare work on the market, it will provide the new owner with the joys of a work of art, art deco, distinctive and imposing by its size and its undeniable decorative effect. Possibility of sending in France and all over the world.
