

## Large Pewter Pitcher Alsace

300 EUR

Period : 19th century

Condition : Bon état

Material : Tin

Diameter : à l'ouverture 8 cm, au cul 14 cm

Height : 29 cm

### Description

We present for sale this large pewter jug with a frustoconical shape approximately 29 cm in height. On the body in front a coat of arms, a date 1804? and two criss-cross rifles below. On the handle at the back a punch to identify (the name of the potter). In good condition, note however a dent due to a shock, sold as is. (E23)
