

Pair Of Paintings, Northern Italy, 18th Century, Animated Landscapes, Herd Drinking Scenes

3 990 EUR

Signature : Ecole Italienne du Nord

Period : 18th century

Condition : En l'etat

Material : Oil painting

Length : 87,5 cm

Width : 73,5 cm

Description

pair of paintings representing two scenes of animated landscapes in the Italian mountains and valleys. One represents a departure of a herd comprising cows and sheep, guided by their shepherds. The other shows us a herd of cattle drinking in a stream. Our two oils on canvas are an Italian school from the North, from the 18th century. This pair of landscapes has several repairs and some lack of material (see photos).
Dimensions: length 87.5 cm width 73.5 cm
