Description

Art Deco period vine lamp. The opalescent sandblasted glassware has a fluted relief in the upper part (14.5 cm H). The framing of the frieze is contrasted by an engraved decoration of stylized beaded drapes, all transparent. The round glasswork enhances the sloping hexagonal base and sharp edges inspired by a decor with roots (16 cm diam). This same plant motif is adorned on the jamb with a finely chiseled vine leaf punctuated by a ball of grapes (17 cm H) Beautiful luminosity. Screw bulb. Revised electricity. Possible delivery not included in the price.
