

Capuchin Style System Desk

880 EUR

Period : 20th century

Condition : Très bon état

Material : Walnut

Description

Walnut table with system transforming into a Louis XV style desk from the 20th century.
It opens to a large drawer in front and rests on four arched feet. Its scalloped top, surrounded by a walnut border, slides.

We discover a step.

The step is composed of two small drawers and compartments.

Sliding from top to bottom, the pushers on each side allow it to be lowered.

Bronze handles on each side to carry it.
